

# Bella Vista & Raptors Go Sailing

**17<sup>th</sup> June 2019**

Dear Parents/Guardians,

The cub leader team have secured an exciting opportunity for our young people to go sailing with the Pennine Sailing Club. To take part, your cub must be able to swim 25m unaided; **please note**, the sailing club may ask you on the evening to evidence this, so dig out those swimming certificates!

To make sure things run smoothly, please find below our overall plans and some items for you to progress.

## When

Monday 17<sup>th</sup> June 2019 – Arrival at 6pm prompt; late arrivals may find the cubs already on the water and will therefore miss out on the opportunity.

## What

The plan:

- Check in at the car park at 6pm sharp.
- 6:15pm Cubs have safety briefing and get attired ready to go out on the reservoir
- Enjoy a pleasant evening sailing under the direction and supervision of the Pennine Sailing Club
- 8:30pm Event debrief, drinks and biscuits, then collection by parents/guardians once this is complete

### Next steps

Please accept the event invite via OSM and make payment to the above account. Please note, if payment not received within 72 hours then the place will be offered to the next cub on the waiting list. Once your place is paid and confirmed, the final step will be a consent form required by the activity provider. These will be sent out prior to the event for completion and need to be returned, ideally, in advance.

### Contact

Before the event : If you have any questions please do not hesitate to contact us via the details in the below signature.

During the event : Please only contact us via our dedicated telephone number 01226 610356. This will automatically ring the relevant on-event leaders.

### Kit list

As always, please ensure your young person's belongings are labelled.

- Swimming Shorts/Costume
- T-shirt or similar
- Fleece or similar
- Towel, high probability you will get wet at some point
- Old Trainers

PLEASE ENSURE that all clothing is from man made materials and not cotton as this will prevent your young person from becoming cold as they draw heat away from the body much more slower than cotton. If you own a wetsuit and or water shoes already than please feel free to use these
